

Party Chief - Power Line

Global Raymac Surveys is seeking experienced Party Chiefs to support our rapidly growing office in Edmonton. The successful candidate must be familiar with all aspects of power line surveying. The individual will join a growing and dynamic team oriented atmosphere that will provide a daily challenge.

Qualifications

- Diploma in Geomatics Technology or equivalent, with a minimum of 2 years Party Chief experience
- Well versed in the operation of Total Stations, GPS, GNSS Technology and other data collection technologies
- Experience working on field surveys for major electric power companies including field work for design layout and construction of power generation, transmission, substation and distribution facilities. Experience completing field survey work such as:
 - Preliminary Engineering Design and Staking
 - Structure Staking
 - Centerline Staking
 - Centerline and Offset Profiling
 - Transmission Line Surveys
 - Substation Surveys
 - Underground and Overhead Distribution Surveys
 - Legal Surveys
 - Line Locating
 - Topographic Surveys
 - Drafting/Calculating Skills
- Minimum 2 years of Power Line surveying experience
- Willingness to work away from home for extended periods and in all weather conditions
- Valid driver's license and experience operating ATV's and snowmobiles
- Valid and applicable safety courses are required and will be provided if necessary
- Compliance with Global Raymac's Drug and Alcohol policy is required (screening is mandatory)
- Team oriented attitude and strong work ethic

The compensation package for this position will be commensurate with the level of responsibility of the position and the candidate's qualifications.

If this opportunity is of interest to you, please apply in confidence to careers@globalraymac.ca and quote opportunity code **PL-PC-001**.

Please note only candidates selected for an interview will be contacted.

Global Raymac is a creative, multi-disciplined company with a respectful culture that inspires our employees while engaging in sustainable practices and delivering exceptional value to our partners.

Global Surveys was founded in 1986 and Raymac Surveys in 1978, with both companies firmly establishing themselves in the fabric of Alberta's Land Surveying community. After serving the Energy and Municipal sectors across the province for more than 25 years, the companies joined forces in 2010 to form Global Raymac Surveys and we haven't looked back since!
