

ALS, Articled Student, Calgary, AB

Global Raymac Surveys is growing and seeking an ALS or Articled Student. Reporting to the Manager of Pipeline and Integrity, the successful candidate will be responsible for the success of a variety of Pipeline projects throughout all phases of the project lifecycle, and with your expertise, assist with growing the group into an industry leader.

At Global Raymac, our enthusiastic team thrives in an environment that encourages innovative thinking and those who have an aspiration to make a difference.

Some of your key responsibilities will include:

- Be a key player in the day to day management of various Pipeline and Integrity projects
- Review project deliverables ensuring industry best practices, statutes, and regulations have been followed
- Contribute to strategic initiatives that drive continuous improvements and operational efficiencies
- Assist with the ongoing development of Global Raymac's Quality Management System
- Provide mentorship and guidance to Field Crews and Office Staff
- Show support of our client's projects by conducting field visits
- Participate in Global Raymac's Safety culture

Qualifications:

- Geomatics Engineering degree or Technical Diploma from a recognized institution
- 2+ years' experience in the survey industry
- Professional Land Surveyor Designation or Articling Student close to receiving their commission
- PMP designation an asset but not required
- Strong interpersonal and communication skills
- Strong time management skills and the ability to balance and deliver multiple and conflicting priorities

The compensation package for this position will commensurate with the level of responsibility of the position as well as the candidate's qualifications.

If this opportunity is of interest to you, please apply in confidence to careers@globalraymac.ca and quote opportunity code **CAL-PIP-ALS-003**.

Please note only candidates selected for an interview will be contacted.

Global Raymac is a creative, multi-disciplined company with a respectful culture that inspires our employees while engaging in sustainable practices and delivering exceptional value to our partners.

Global Surveys was founded in 1986 and Raymac Surveys in 1978, with both companies firmly establishing themselves in the fabric of Alberta's Land Surveying community. After serving the Energy and Municipal sectors across the province for more than 25 years, the companies joined forces in 2010 to form Global Raymac Surveys and we haven't looked back since!
